Training Policy

It is the policy of the Practice to be committed to the training and development of all Partners and staff, because it is recognised that this will be the only way to achieve business success.

A training policy has been established to ensure that: -

- The Practice has sufficient trained, competent Partners and staff to meet our objectives
- Partners and Staff are given the training and development they require to perform their jobs safely and efficiently
- Partners and Staff are assisted in their development within the Practice, and to allow for career progression as and when opportunities arise
- All Partners and Staff are given the same opportunity for training and development
- The performance of individuals, and in turn the Practice, is being continually improved

Training Priorities

The Practices training priorities will be agreed annually by the Partners based on the coming years business objectives. Any training requests which meet these priorities will be considered, and if the budget allows will be actioned.
